WHEREAS, the Parties desire to fully and finally settle the Fieldwood Joint Interest Billings and the Sanare Joint Interest Billings pursuant to the terms and conditions set forth in this Agreement; AND

WHEREAS, On July 3, 2020, Fieldwood filed a lawsuit against Sanare in a case styled *Fieldwood Energy LLC v. Sanare*, No. 2020-39647 pending in the 270th Judicial District of Harris County, Texas (the “State Court Lawsuit”); AND

WHEREAS, commencing on August 3, 2020, Fieldwood and certain of its affiliates filed with the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Bankruptcy Court”) voluntary cases under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”); AND

WHEREAS, on November 10, 2021, Fieldwood filed a notice of removal with the Bankruptcy Court, removing the State Court Lawsuit to the Bankruptcy Court in a case styled *Fieldwood Energy LLC v. Sanare*, Adversary Proceeding No. 20-03460 (the “Adversary Proceeding”); AND

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements as set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Fieldwood and Sanare hereby agree as follows:

1. Pursuant to the terms of this Agreement, Sanare shall pay to Fieldwood \$532,100.35 (the "**Settlement Payment**").² Sanare shall pay the Settlement Payment as follows:

1.1 **February 2021 Production Month:** Fieldwood will pay one hundred percent (100%) of the Office of Natural Resources and Revenue ("ONRR") royalty burden. After deducting the ONRR royalty burden associated with Sanare's approximately forty-nine (~49%) working interest share under the VR 229 JOA ("Sanare's VR 229 Working Interest"), one hundred percent of the remaining February 2021 production month revenue associated with Sanare's VR 229 Working Interest shall be applied to the Settlement Payment; AND

1.2 **Effective March 1, 2021 and until the Settlement Payment is paid in full:** Fieldwood grants Sanare the right to take-in-kind twenty percent (20%) of the gross production volume associated with the VR 229 JOA (defined herein as the "Sanare Settlement Production Share"). For the sake of clarity, the Sanare Settlement Production Share represents approximately forty-one percent (~41%) of Sanare's VR 229 Working Interest. Sanare grants Fieldwood the right and authority to take, and Fieldwood shall take, production volume above and beyond the Sanare Settlement Production Share to satisfy the Settlement Payment, which equates to approximately twenty-nine (~29%) of the gross working interest (the "Fieldwood Settlement Production Share"). After deducting the ONRR royalty burden associated with the Fieldwood Settlement Production Share, one hundred percent of the remaining revenue from the Fieldwood Settlement Production Share shall be applied to the Settlement Payment until it is paid in full. Should Sanare not comply with the terms and conditions of this Agreement, Fieldwood reserves the right, at its sole option, to revoke and terminate Sanare's ability to take in kind Sanare's Settlement Production Share and shall have the option and authority to notify any purchasers and/or transporters of the same. Nothing herein modifies or amends Sanare's obligation to pay 100% of all expenses associated with Sanare's VR 229 Working Interest when due under the VR 229 JOA. Additionally, Sanare shall be solely responsible for its share of the ONRR royalty burdening the Sanare Settlement Production Share; AND

1.3 Fieldwood will make commercially reasonable efforts to provide Sanare a full reconciliation of both JIB and revenue accounts by the 25th of each month beginning March 25th and continuing each month until all requirements under this Agreement have been met; AND

² The Parties acknowledge that the Settlement Payment identified herein will be reconciled pursuant to Article 1.3 on or before March 25, 2021. The Parties shall agree on the final Settlement Payment on or before March 31, 2021. If the Parties are not able to agree on the final Settlement Payment on or before March 31, 2021, the Parties agree to attend non-binding mediation to resolve the dispute. The mediation shall occur on or before April 30, 2021. If the Parties are not able to resolve the dispute through mediation, the Parties have the right to litigate the dispute to the United States Bankruptcy Court for the Southern District of Texas, Houston, Division.

- 1.4 For the purposes of monthly reconciliation of volumes produced under the VR 229 JOA through February 2021, Fieldwood shall provide Sanare volume statements and product pricing for volumes withheld from July 2020 through February 2021. Until Sanare satisfies its obligation to pay the Settlement Payment, Fieldwood will provide Sanare monthly volume statements and product pricing for VR 229 related volumes withheld pursuant to this Agreement; AND
- 1.5 Sanare shall be responsible and shall pay one hundred percent (100%) of all pre and post Effective Date overriding royalty interests burdening Sanare's VR 229 Working Interest.
2. At such time as the Settlement Payment has been satisfied in full and Sanare is not otherwise in default under the VR 229 JOA, where such default arose between the date of the Agreement and receipt by Fieldwood of the full Settlement Payment, Sanare shall be allowed to take-in-kind its full working interest share of VR 229 production volume as provided for the in the VR 229 JOA
3. Fieldwood acknowledges that as of the Effective Date of this Agreement, Sanare does not owe Fieldwood any overriding royalty interests ("ORRIs") associated with the four leases identified in Fieldwood's Original Petition section IV.A. filed in the State Court Lawsuit.
4. At such time that (i) Fieldwood received the Settlement Payment and (ii) no defaults have arisen between the Effective Date of this Agreement and receipt by Fieldwood of the full Settlement Payment with respect to any Future Joint Interest Billings related to the AR JOAs, the VR 229 JOA and/or any ORRIs associated with the four leases referenced in paragraph 3, each Party, on behalf of itself and its predecessors, successors, assigns, affiliates, subsidiaries, parent company, owners, investors and their respective officers, directors, employees, representatives, insurers, principals, and owners hereby releases and forever discharges the other Party, its predecessors, successors, assigns, subsidiaries, partners, and their respective affiliates, officers, directors, employees, representatives, insurers, principals, and owners for and from any and all claims, demands, causes of action, costs, expenses, payments, charges, interest, and/or liabilities in connection with or arising out of the Fieldwood Joint Interest Billings, the Sanare Joint Interest Billings and the VR 229 Revenue (together, the "Claims").
 - 4.1 Notwithstanding the foregoing, the Parties agree that this release is not releasing Sanare from its obligations to pay the overriding royalty interests ("ORRIs") associated with the four leases identified in Fieldwood's Original Petition section IV.A. filed in the State Court Lawsuit.
5. This Agreement shall be binding upon and shall inure to the benefit of the Parties hereto and to their respective predecessors, parents, owners, affiliates, subsidiaries, principals, successors, and assigns.
6. The Parties agree to cooperate and execute any additional documents as are reasonably requested or required to carry out the terms of the Agreement if any.

Procedure 9019 (the "9019 Motion") and (b) a proposed order related to the 9019 Motion (as entered by the Bankruptcy Court, the "9019 Order").

9. For the avoidance of doubt, the Settlement Payment shall not be subject to any contest, attack, rejection, recovery, claw-back, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code or applicable non-bankruptcy law. To the extent all or any portion of the Settlement Amount becomes subject to any proceeding related to Sanare and wherein any such contest, attack, rejection, recovery, claw-back, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code or applicable non-bankruptcy law is asserted, Sanare represents and warrants that it will take all reasonable efforts to contest such efforts.

10. The Parties acknowledge and agree that this Agreement is not an admission of liability or responsibility on the part of either Party.

11. This Agreement supersedes any prior written or oral communications with respect to the settlement of the matters addressed herein and may not be modified except by writing signed by all of the Parties.

12. The Parties hereby warrant that they have the right and authority to enter into this Agreement pursuant to the terms set forth herein.

13. Unless specifically provided for herein, nothing in this Agreement shall modify or amend the terms of the VR 229 JOA or the AR JOAS.

14. The Parties acknowledge that promises, covenants, releases, and recitals in this Agreement provide good and sufficient consideration for every promise, duty, release, obligation, and right contained in this Agreement.
